MORELANDS' SPANISH FORT NURSERY

DAPHNE, ALABAMA

AZALEAS 10¢

We just made a special purchase of a large quantity of excellent quality 1 year old well branched Azaleas. Since we do not have the space to plant them we must sell them immediately so we are offering them for only 10¢ each.

Since our usual postage and handling charge of 50¢ falls about 35¢ short of our average packing and postage cost and since we anticipate that most of our customers will place large orders because of our very low price, we are increasing our postage and handling charge to \$1.00 for this special offer only.

To order Azaleas fill in form below:
